

JOIN US, Oct 19, for Dedication and Open House Celebrating Community Traffic Safety Initiative.

Quail Estates West HOA is celebrating improved traffic safety with the installation of five Paver Rumble Strips, a Paver Patch™ product from Sustainable Hardscapes, with a dedication and open house.

The community was awarded funding from the City of Las Vegas Neighborhood Partnership Fund for the project to improve pedestrian safety.

Community Association Managers and Board Members are invited to test drive these revolutionary new traffic calming devices.

- When:** October 19, 2011
- Time:** Dedication: 10am-11am
Public Invited to Test Drive: 10am-4pm
- Where:** Quail Estates West HOA
2851 S Valley View Blvd, Las Vegas, NV 89102
(Between Sahara & Desert Inn Rd)
- Gate Code:** PAVER PATCH

Paver Rumble Strips, an approved alternative to speed bumps, are designed to alert distracted drivers to upcoming traffic conditions such as stop signs, crosswalks, or intersections.

To learn more about the solving distracted driving and traffic calming alternatives, visit: www.paverpatch.com or call 702-401-4766.
